

News, Notes and Comments.

Albuquerque has a female barber.

San Francisco has sent her only anarchist to jail.

Vancouver B. C. destroyed by fire. Loss \$100,000.

Onions of Egypt are now hawked in the streets of Boston.

Mad dogs have been making havoc among stock in Dakota.

At Boston the artificial propagation of halibut is to be attempted.

The pay roll of the Comstock for May, amounted to \$218,558.

San Francisco P. O. agony over—Wm. Bryan a druggist, appointed.

Dr. C. W. Horner, of San Francisco, died from an overdose of chloroform.

Dr. McDonald is likely to be acquitted of the charge of murder for killing Miah.

A gang of sharpers have been working Iowa and Illinois banks with forged checks.

Captain Jack Crawford has been appointed chief of scouts under General Miles.

Delegate Bean, has introduced a bill in congress, to pension those injured in conflict with the Indians.

Cheyenne has a population of 5,000, and the wealth of the community is estimated at \$65,000,000.

Editor Mumford, of the Kansas City Times was shot by an attorney whose illicit practices he had exposed.

King Kalakaua offers to sell his kingdom, the Sandwich Islands for \$10,000,000. Guest we'll take em off his hands.

Richard A. Proctor, the celebrated astronomer, has come to America to live. He says he will settle in Missouri.

The Alta thinks the hair business must be looking up when \$1,000 is set as the value upon the tangled and dirty locks of old Germino.

John B. Hayes, the customs officer who passed Miss Folsom's baggage, free of duty, on a wink from Colonel Lamont, has been discharged.

The jury in the case of Dr. J. A. McDonald, charged with the murder of David P. Miah, in San Francisco has returned a verdict of not guilty.

A misadventure newspaper boasts that Governor Zulick has a "square" head. It lacked nerve to add that it is a hollow square—Citizen.

A California paper estimates the wheat crop of that state at nearly 60,000,000 bushels. The yield of barley is estimated at nearly 39,000,000 bushels.

An item in the Courier, advising "out King Henry to drown himself" is supposed to refer to Governor Zulick. Wonder what King Henry Zulick has been doing now.

The Grand Army has sent an invitation, engraved on gold, to President, Cleveland to attend the national encampment in San Francisco in August.

Rescue Conkling has received a \$20,000 fee for services as counsel for the state before the railroad committee of the state senate in the investigation of the Broadway Submarine railroad scandal.

United States Minister Phelps, telegraphs the state department that England is dissatisfied over the recent seizure of American vessels for Canadian authorities, and prospects for a satisfactory settlement are good.

A new name has been invented for the professional workmen who have soft, delicate hands and callous spots on their tongues. It is "jawsmiths."

The Apaches are doing finely in Florida. They are dying at the rate of ten every month. Thus the whole band will soon be made into good Indians.

A Toledo man who had been deposited in a vault, supposed to be dead, surprised and startled his relatives by knocking the glass lid of his coffin off and crawling out.

Several prisoners in the jail at Atlanta, Ga., astonished their keeper by appearing with freshly shaved faces. On inquiry he found that they shaved regularly with a piece of a broken bottle.

General Miles is opposed to the transfer, at present, of the First Infantry, from this territory to California and it is possible that the order recently issued for its transfer July 1st, will be revoked.

England has a mile of railway for every six square miles, capitalized at \$210,000 per mile, while in this country there is a mile of railway to every twenty-seven square miles, constructed at a cost of \$60,000 per mile.

Cholera has made its first appearance at Bigona, eight miles from Venice. The death rate averages sixteen per day. The disease is very virulent.

Police magistrates in Philadelphia are given to great vigor of language. In sentencing a prisoner for wife-beating, one of them said: "It is the judgment of this court that you are an infernal pup."

A north wind has seriously damaged crops in California. The damage to wheat alone in Colusa county is estimated at about \$2,000,000.

Portions of Kansas are experiencing a serious drought this year. In Martin and Seward counties men are hauling water eight and ten miles for their families and stock, while fuel and wood must be hauled from the Arkansas river forty or fifty miles away.
